

The Global Wheeled Loader Industry

September 2018

CONTENTS

Introduction	12
GLOBAL SUMMARY	13
Economic activity	15
Market size and trends	17
Developments by type and size class	21
Production	23
Trade flows	26
Market shares	28
Population and end-users	33
Forecast to 2022	37

REGIONAL ANALYSIS - CHINA

Summary	39
Economic activity	41
Construction and mining activity	43
Market size and trends	49
Developments by type and size class	52
Production	56
Component sourcing	64
Foreign trade	67
Market shares	70
Pricing	76
Population and end-users	78
Forecast to 2022	82

REGIONAL ANALYSIS - EUROPE

Summary	84
Economic activity	86
Market size and trends	87
Developments by type and size class	98
Production	100
Component sourcing	106
Foreign trade	111
Market shares	113
Pricing	131
Population	133
End-users	135
Forecast to 2022	137

REGIONAL ANALYSIS - INDIA

Summary	139
Economic activity	140
Construction and mining activity	143
Market size and trends	152
Developments by type and size class	154
Production	156
Component sourcing	160
Foreign trade	162
Market shares	164
Pricing	166
Population and end-users	168
Forecast to 2022	170

REGIONAL ANALYSIS - JAPAN

Summary	172
Economic activity	174
Market size and trends	176
Developments by type and size class	178
Production	180
Component sourcing	182
Foreign trade	183
Market shares	185
Pricing	189
Population and end-users	190
Forecast to 2022	192

REGIONAL ANALYSIS - NORTH AMERICA

Summary	194
Economic activity	195
Market size and trends	197
Developments by size class	200
Production	202
Component sourcing	204
Foreign trade	206
Market shares	208
Pricing	212
Population and end-users	213
Forecast to 2022	216

REGIONAL ANALYSIS - REST OF THE WORLD

Summary	218
Economic activity	220
Market size and trends	221
Developments by Size class	223
Production	224
Foreign trade	226
Market shares	228
Pricing	230
Population and end-users	232
Forecast to 2022	234

MANUFACTURER PROFILES

Atlas Weyhausen - Germany	236
Caterpillar (Including SEM) – USA/China	238
CNH Industrial - Italy	242
Doosan Infracore – South Korea	245
Hitachi Construction Machinery (Including Kawasaki/KCM) – Japan	248
Hyundai Construction Equipment – South Korea	251
JCB - UK	254
John Deere - USA	257
Komatsu - Japan	260
Kubota - Japan	263
Liebherr - Germany	265
LiuGong - China	267
Lonking - China	270
Volvo Construction Equipment (Including SDLG) – Sweden/China	272
Wacker Neuson – Germany	277
XCMG - China	280
Yanmar - Japan	283

MACHINES AVAILABLE AND CONTACT DETAILS

Machines available	286
