

The Global Hydraulic Excavator Industry

September 2017

CONTENTS

Introduction	13
Global summary	14
Economic activity	17
Market size and trends	18
Developments by type and size class	23
Production	27
Trade flows	31
Market shares	33
Population and end-users	40
Forecast to 2021	42

REGIONAL ANALYSIS - CHINA

Summary	44
Economic activity	46
Construction and mining activity	48
Market size and trends	54
Developments by type and size class	57
Production	62
Component sourcing	73
Foreign trade	76
Market shares	79
Pricing	92
Population and end-users	95
Forecast to 2021	99

REGIONAL ANALYSIS - EUROPE

Summary	101
Economic activity	103
Market size and trends	104
Developments by type and size class	115
Production	119
Component sourcing	125
Foreign trade	131
Market shares	134
Pricing	159
Population and end-users	162
Forecast to 2021	167

REGIONAL ANALYSIS - INDIA

Summary	169
Economic activity	171
Market size and trends	173
Developments by type and size class	175
Production	178
Component sourcing	184
Foreign trade	187
Market shares	189
Pricing	195
Population and end-users	197
Forecast to 2021	200

REGIONAL ANALYSIS - JAPAN

Summary	203
Economic activity	205
Market size and trends	207
Developments by type and size class	210
Production	213
Component sourcing	217
Foreign trade	220
Market shares	222
Market shares	222
Pricing	226
Population and end-users	228
Forecast to 2021	231

REGIONAL ANALYSIS - NORTH AMERICA

Summary	233
Economic activity	235
Market size and trends	237
Developments by type and size class	240
Production	244
Component sourcing	247
Foreign trade	249
Market shares	251
Pricing	258
Population and end-users	261
Forecast to 2021	265

REGIONAL ANALYSIS - REST OF THE WORLD

Summary	267
Economic activity	269
Market size and trends	270
Developments by type and size class	272
Production	275
Foreign trade	277
Market shares	279
Population and end-users	283
Forecast to 2021	288

MANUFACTURER PROFILES

Caterpillar - USA	290
CNH Industrial - Italy	294
Doosan Infracore – South Korea	297
Hitachi Construction Machinery - Japan	302
Hyundai Construction Equipment – South Korea	305
JCB - UK	308
John Deere (including Deere-Hitachi) - USA	310
Kato Works (including IHI) - Japan	312
Kobelco - Japan	315
Komatsu - Japan	319
Kubota - Japan	324
Liebherr - Germany	326
LiuGong - China	329
Sany - China	332
SDLG – China	334
Sumitomo - Japan	336
Takeuchi - Japan	339
Tata Hitachi - India	341
Volvo Construction Equipment – Sweden	343
Wacker Neuson - Germany	347
XCMG - China	350
Yanmar (including Terex) - Japan	352

MACHINES AVAILABLE AND CONTACT DETAILS
